Assessments or any installments thereof which are not paid when due shall bear interest at a fluctuating rate equal to the maximum rate of interest which may be charged under the laws of the State of Indiana for consumer loans, adjusted on the first day of each calendar year. If any Owner shall fail, refuse, or neglect to make any payment of any Assessment when due, the Board of Directors of the Association may in its discretion declare the entire balance of unpaid Assessments to be due and payable, with interest as aforesaid, and file a written Notice of Lien against said Owner's Lot in the office of the Recorder of Allen County, Indiana, which Notice of Lien shall perfect the lien of the Association and have the same force and effect as, and be enforced in the same manner as a mortgage lien under Indiana law, and shall include attorney's fees, title expenses, interest, and any costs of collection.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of residents of Brenton Glens, and in particular for the maintenance of any Lot prior to commencement of construction of a Dwelling Unit thereon, and for the improvement, operation and maintenance of any storm water detention basin along with any water level control structures and all other Common Areas, including but not limited to, repair, maintenance, lighting, lawn care, snow removal, insurance, taxes, and all other things necessary or desirable in the opinion of the Board of Directors of the Association in connection therewith.

Section 3. Maximum Annual Assessments. Until January 1 of the year immediately following the conveyance by the Developer of the first Lot to an Owner, the maximum annual assessment shall be Two Hundred Dollars (\$200.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 15% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 15% by the affirmative vote or written assent of 51% of each class of members.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the affirmative vote or written assent of 51% of each class of members.

Section 5. Notice and Quorum For Any Action Authorized Under Section 3 and 4. Any action authorized under Sections 3 or 4 and requiring an affirmative vote or written assent of a certain percentage of the Association membership shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of each class of members, members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly, or yearly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the first conveyance of Common Area by the Developer to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Lot Maintenance Assessment.

(a) From and after the date of purchase of a Lot until construction of a site

family residence commences, the Association shall have the exclusive right to perform all maintenance on the Lot, including but not limited to, cutting the grass, keeping the Lot free from weeds, and the removal of trash and debris.

(b) In addition to the liens assessed under this Article IV, each Lot Owner, with the exception of the Developer, may be assessed an annual fee at the rate of \$50.00 per month for two (2) years following the Owner acquiring title to the Lot (the "Lot Maintenance Assessment"). Thereafter, the Association may assess the Lot Owner an annual amount which the Association, in its sole discretion, determines necessary to maintain the Lot as provided in Subparagraph (a) above.

(c) The first annual Lot Maintenance Assessment shall be prorated according to the number of remaining months in the calendar year of purchase, and payment shall be due on January 1 for each succeeding year. After construction commences, the Lot Maintenance Assessment paid in the year of commencement shall be prorated for the remaining month(s) of the year following commencement and be reimbursed to the Lot Owner. The Association may offset such reimbursement against the annual assessment levied under this Article IV in the succeeding year.

(d) From and after the date construction of a single-family residence commences upon a Lot, it shall be the duty of the Lot Owner to perform all maintenance on the Lot, including but not limited to, cutting the grass, keeping the Lot free from weeds, and the removal of all trash and debris. The Association, in its sole discretion, may undertake such Lot maintenance under this Subparagraph (d) should the Lot Owner fail to do so. In that event, the Lot Owner shall immediately, upon written demand, reimburse the Association, its agents and/or independent contractors for all expenses incurred in performing such maintenance upon the Lot.

Section 9 Effect of Nonpayment of Assessments: Remedies of the Association Any assessment or other charge not paid within thirty (30) days after the due date shall bear interest from the due date as provided in Section 1 of this Article IV. The Association may bring an action at law against the Owner personally obligated to pay the same; may foreclose the lien against the owner's lot in accordance with the provisions of Section 1 of this Article IV; or may do both. No Owner may waive or otherwise escape personal liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot.

Section 10 Subordination of the Lien to Mortgages The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage shall extinguish the lien of such assessments as to payments, which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 1. Every Owner of Lots 70 thru 78 and 114 thru 127 shall also be a member of the Brenton Glens Villa Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot, which is subject to assessment.

among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

Class B. Class B member(s) shall be the Developer and the Villa builder of the Brenton Glens Villas, and such member(s) shall be entitled to five (5) votes for each Lot Owned. The Class B membership shall cease and be converted to Class A membership on there happening of either of the following events, whichever occurs earlier:

ARTICLE VI COVENANT FOR VILLA MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligations of Assessments. Each Owner of any Lot, excepting Developer and the Villa Builder, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Brenton Glens Villa Association annual assessments or charges, such assessments to be established and collected as hereinafter provided. Assessments or any installments thereof which are not paid when due shall bear interest at a fluctuating rate equal to the maximum rate of interest which may be charged under the laws of the State of Indiana for consumer loans, adjusted on the first day of each calendar year. IF any Owner shall fail, refuse or neglect to make any payment of any Assessment when due, the Board of Directors of the Brenton Glens Villa Association may in its discretion declare the entire balance of unpaid Assessments to be due and payable with interest as aforesaid, and file a written Notice of Lien against said Owner's Lot in the office of the Recorder of Allen County, Indiana, which Notice of Lien shall perfect the Lien of the Villa Association and have the same force and effect as, and be enforced in the same manner as a mortgage lien under Indiana law, and shall include attorneys' fees, title expenses, interest and any cost of collection.

Section 2. Purpose of Villa Association Assessments. The assessments levied by the Brenton Glens Villa Association shall be used exclusively for the purpose of paying for the services which are to be provided to each lot in the Villa Association.

Section 3. Villa Association Assessments. Prior to January 1 of each year, the Board of Directors of the Brenton Glens Villa Association shall adopt a budget which shall be used to establish the amount of the Brenton Glens Villa Association Assessments for each Lot based on those expenses for the next fiscal year which are for services provided to each Lot. The annual Brenton Glens Villa Association budget shall contain the proposed assessment on each Lot which shall be uniform for each Lot. A Brenton Glens Villa Association Assessment may be assessed whether or not the Lot has a Dwelling located on it or is otherwise improved.

The annual Brenton Glens Villa Association budget and the assessment shall be established using generally accepted accounting principles applied on a consistent basis. The Brenton Glens Villa Association may provide for a reserve fund for unanticipated expenses if the Brenton Glens Villa Association Board of Directors deems it appropriate and necessary. Any delay or failure by the Brenton Glens Villa Association Board of Directors to prepare a proposed annual budget and to provide the same to the Lot Owners shall not constitute a waiver or release in any manner of the obligations of each Lot Owner to pay the Brenton Glens Villa Association Assessment as herein provided.

The annual Brenton Glens Villa Association budget shall be submitted at the annual meeting of the members and shall be approved in whole or in part by the majority of the votes cast by the members, provided, however, in no event shall the annual meeting be adjourned without or until the annual budget is approved at such meeting.

Immediately following the adoption of the annual Brenton Glens Villa Association budget, each Lot Owner shall be given written notice of the assessment to be assessed against the Owner's Lot. The assessment to be assessed against each Lot shall be paid by the owner of that lot in advance in equal monthly installments commencing on the first day of January of such calendar year and on the first day of each month thereafter. Each Lot Owner shall make monthly payments to the Brenton Glens Villa Association. The Brenton Glens Villa Association assessment for the year shall become a lien on each Lot as of January 1 of each calendar year. The Brenton Glens Villa Association Board of Directors through rules and regulations or provision in the By-Laws may change the above date of assessment and payment without amending this declaration.

Section 4. Villa Association Services. The Brenton Glens Villa Association shall maintain the lawn of each Lot on a scheduled basis as determined by the Brenton Glens Villa Association. Owners may plant, install or maintain any flowers, trees, shrubbery or plant material on a Lot with the approval of the Architectural Control Committee. The Brenton Glens Villa Association may operate and maintain the irrigation system on each lot, and may determine the interval of irrigation. All water utilized in the irrigation system for each Lot shall be provided by the Owner of that Lot regardless of whether water from such irrigation system partly irrigates an adjacent Lot. The Brenton Glens Villa Association shall provide for the removal of snow from the sidewalks and driveways of the Lots according to the guidelines for snow removal adopted by the Brenton Glens Villa Association. Each Owner shall be responsible for maintaining at the Owner's expense any trees located on the Owner's Lot, which maintenance shall include but not be limited to pruning and removing any such trees which are dead or unsightly or any unsightly, dead or dangerous portion of such trees. In the event the Brenton Glens Villa Association advises an Owner in writing that replacement or removal of a portion or all of a tree or trees which the Owner is responsible to maintain is necessary, after sixty (60) day prior written notice (except that notice is waived in cases of emergency), the Brenton Glens Villa Association may in its discretion have the tree or trees maintained or removed and add the amount expensed to that Lot's assessment.

Section 5. Maintenance by Owners. Each owner shall maintain the appearance of the exterior of his Dwelling Unit and shall replace and/or repair any portion thereof which is damaged or in need of repair or replacement, including, without limitation, siding, roofing, plumbing, fixtures, heating and air conditioning systems, driveways, sidewalks, exterior lighting fixtures and other mechanical electrical systems. Notwithstanding the foregoing, no owner may paint, decorate or make any changes in the appearance of any portion of the exterior of his Dwelling Unit, including sidewalks and driveways, which would vary it from the plans which were approved by the Architectural Control Committee. The Brenton Glens Villa Association may at its option notify any Lot Owner of a repair or replacement or any item of maintenance which is needed on the exterior of the dwelling unit or on the Lot, and in the event the Owner does not maintain, repair or replace that item within 30 days after such notice is given by the Brenton Glens Villa Association, the Brenton Glens Villa Association may maintain, repair or replace that item at its expense and add the cost thereof to that Lot's assessment.

Each Lot Owner grants to the Brenton Glens Villa Association and to each of its authorized agents, employees and contractors an easement and license upon and over the Owner's Lot for the purpose of performing the services or exercising the rights reserved to the Brenton Glens Villa Association in this section or Section 4 above.

Section 6. Effect of Nonpayment of Assessments; Remedies of the Villa Association. Any assessment or other charge not paid within thirty (30) days after the due date shall bear interest from the due date as provided in Section 1 of this Article VI. The Brenton Glens Villa Association may bring an action at law against the Owner personally obligated to pay the same; may foreclose the lien against the Lot in accordance with the provisions of Section 1 of the Article VI; or may do both. No Owner may waive or otherwise escape personal liability for the assessment provided for herein by abandonment of his Lot.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall

not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage shall extinguish the lien on such assessments as to payments, which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability or any assessment thereafter becoming due or from the lien thereof.

ARTICLE VII
ARCHITECTURAL CONTROL

No building, fence, wall, deck, swimming pool or spa, or other structure shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two sets of plans and specifications showing: (1) the location of improvements on the lot (site plan); (2) the location of the driveway on the site plan; (3) front, rear, and side elevations shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee. The Committee's approval or disapproval, as required in these covenants, shall be in writing. In the event the Committee fails to approve or disapprove such plans within 60 days after receipt, such plans shall be deemed approved. No structure of any kind which does not comply fully with such approved plans shall be erected, constructed, placed, or maintained upon any Lot, and no changes or deviations in or from such plans as approved shall be made without the Committee's prior written consent. Neither the Developer, the Architectural Control Committee, nor any member thereof, nor any of their respective heirs, personal representatives, successors, or assigns shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee or the Developer to recover any damages or to require the Committee or the Developer to take, or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete set(s) of plans to the Developer's office for review by the Architectural Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein. In the event the Committee or the Association shall prevail in any litigation brought for the purpose of enforcing compliance with the provisions of this Article V, it shall be entitled to recover from the defendants reasonable attorney fees and costs incurred in such enforcement.
