Section 6. Transfer of Membership Rights and Privileges in the Association. Each Owner, and in lieu thereof, (and with the written consent of such Owner to the Association) each lessee of a Lot shall be a member of the Association and have the right to the Owner's vote and privileges. The Owner may withdraw his membership assignment to any lessee in his discretion by issuing a sixty (60) day notice in writing to the Association. No assignment of membership shall relieve an owner of the Lot from the obligation to pay any assessment authorized by these Restrictions.

Section 7. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments; (2) special assessments; (3) Club assessment (if applicable); and (4) Tax Recoupment Assessment. Such assessments shall be established and collected as hereinafter provided. The annual, special, Club and Tax Recoupment assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. (b) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 10. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfalls; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 11. Notice and Quorum for Any Action Authorized Under Section 9 and 10. Any action authorized under Sections 9 and 10 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%) of each class of members, members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 12. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis, as the Board of Directors may determine from time to time.

Section 13. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the date of the original recording of these Restrictions with the Recorder of DeKalb County. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a

certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 14. Tax Recoupment Assessments. In addition to all other assessments provided for in this Article, the Association may levy in any assessment year, an assessment ("Tax Recoupment Assessment ") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax, and/or penalty and/or interest on a tax imposed upon, assumed by or assessed against the Association or its properties, and arising out of or in any way related to the acceptance of title to, the ownership of and/or operation or maintenance of any plant or equipment (including utility lines, lift stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste, and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Any assessment (Annual, Special, or Tax Recoupment) not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

Section 16. Subordination of the Lien to Mortgages. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 17. 15 inch Primary Overflow Drain Device. Developer has installed a 15 inch primary overflow drain device for the pond located on the above-described property. This device is for the benefit of the Community Association of The Highlands Subdivision. This overflow drain device is over-sized to allow up-stream users in the future to tap into the system. In the event owners of real estate north of the County Road 56 right-of-way elect to tap into the overflow drain system, the Developers may assess and collect from such parties tap-in fees as reimbursement to them for construction costs of the system. Dekalb County has no obligation to enforce the tap fee on behalf of the Developer. Furthermore, Dekalb County has no authority to waive, and/or to determine the amount of the tap fee.
