Such assessments and charges shall be established and collected as hereinafter provided. The annual, special, and Lot maintenance assessments and charges, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment or charge, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them. The exception providing that the Developer shall not be required to pay the above-listed charges and/or assessments, shall not be modified without the express written consent of the Developer.

Section 2. Purpose of Assessments or Charges. The annual assessments or charges levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the owners in all sections of Verona Lakes, including, but not limited to, the improvement and maintenance of the Common Area, the maintenance of any Lot prior to the commencement of construction of a Dwelling Unit thereon, maintenance of swimming pool, supplies, maintenance of street lighting, maintenance of the sprinkling system situated on the Common Area, storm water detention basins, outlet pipes and water level control structures, removal of snow from the streets, maintenance and improvement of the lake(s), payment of insurance and taxes, and all other things necessary or desirable in the opinion of the Board of Directors of the Association in connection therewith.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year to an amount not more than one hundred ten percent (110%) of the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year to an amount not more than one hundred ten percent (110%) of the maximum assessment by the affirmative vote of each class of members.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments or Charges. In addition to the annual assessments or charges authorized above, the Association may levy, in any assessment year, a special assessment or charges applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfall; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Any action authorized under Sections 3 and 4 and requiring an affirmative vote or written assent of a certain percentage of the Association membership shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%) of each class of members, members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments or charges must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or yearly basis as the Board of Directors may determine from time to time.

Section 7. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the first day of the month following the first conveyance of Common Area by the

Developer to the Association. The first annual assessment shall be adjusted according to the number of days remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Any assessment or charge not paid within thirty (30) days after the due date shall bear interest from the due date at a fluctuating rate equal to the maximum rate of interest which may be charged under the laws of the State of Indiana for consumer loans, adjusted on the first day of each calendar year. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

If any Owner shall fail, refuse, or neglect to make any payment of any Assessment when due, the Board of Directors of the Association may in its discretion declare the entire balance of unpaid Assessments to be due and payable, with interest as aforesaid, and file a written Notice of Lien against said Owner's Lot in the Office of the Recorder of Allen County, Indiana, which Notice of Lien shall perfect the lien of the Association and have the same force and effect as, and be enforced in the same manner as, a mortgage lien under Indiana law, and shall include attorney's fees, title expenses, interest, and any costs of collection.

Should any Owner request that the Association prepare a letter or invoice for current balance of assessments and charges for a particular Lot, then the Association may charge an administrative cost in the amount of Fifty Dollars (\$50.00) to prepare letter. Such administrative charge may be increased in the future by authorization of the Association and notification of the same at the annual members' meeting.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments or charges provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

Architectural Control

Every person and entity who submits plans to the Committee agrees, by submission of such plans, that he/she or it will not bring any action or suit against the Committee or the Developer to recover any damages or to require the Committee or the Developer to take, or refrain from taking, any action whatsoever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission or any complete set(s) of plans to the Developer's office for review by the Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein. In the event the Committee of the Association shall prevail in any litigation brought for the purpose of enforcing compliance with the provisions of this Article V, it shall be entitled to recover from the defendants' reasonable attorney fees and costs incurred in such enforcement.

No structure of a temporary character, trailer, recreational vehicle (RV), camper shell, all-terrain vehicle (ATV), camper or camping trailer, detached basement, tent, shack, detached garage, dog house, barn or other outbuilding shall be either used or located on any Lot, or adjacent to any Lot, public street or right-of-way within the Subdivision at any time, or used as a residence either temporarily or permanently. No automobile which is inoperable shall be habitually or repeatedly parked or kept on any Lot (except in the garage) or on any street in the Subdivision. No trailer, boat, truck, or other vehicle, except an automobile, shall be parked on any street in the Subdivision or left outside the garage of any Dwelling Unit for a period of time greater than seventy-two (72) hours in any calendar month.

Section 28. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purposes.

Section 29. Hunting Shooting or Trapping. No hunting, shooting or trapping shall be permitted in the Subdivision except by written consent of the Association which shall allow the same for the sole purpose of protecting and preserving the Common Areas or to prohibit any such animal from becoming a nuisance. Provided, however, that trapping of animals may be attempted for purposes of pest and rodent control, at the direction of the Board of Directors.

Section 30. Drilling, Refining, Quarrying and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot. No derrick or other structure designed for the use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 31. Signs. No sign of any kind shall be displayed to the public view on any Lot except one sign of not more than five (5) square feet, advertising such Lot for sale or rent, or signs used by a builder to advertise such Lot during the construction and sales period. The Developer or a builder with approval by the Developer shall have the right to (a) erect larger signs allowed by applicable zoning regulations when advertising the Subdivision, and (b) place signs on Lots designating the Lot number of said Lots. This restriction shall not prohibit placement of occupant name signs and Lot numbers as allowed by applicable zoning regulations.

No outside incinerators shall be kept or allowed on any Lot. All trash receptacles, containers, and/or dumpsters must be placed out of street view.

Failure by the Association or the Developer to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 36. Partial Invalidation. Invalidation of any one of these Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 37. Covenants, Restrictions and Extensions. The covenants and restrictions herein contained shall run with the land, and be effective for a term of twenty (20) years from the date these Restrictions are recorded, after which time they shall automatically be extended for successive periods of ten (10) years; provided these Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Owners, and provided further, the Developer, and its successors or assigns shall have the exclusive right for a period of two (2) years from the date of recording of these Restrictions to amend any of these Restrictions so long as such amendment complies with the Allen County, Indiana subdivision control ordinance.

Section 38. Cost and Attorney's Fees. In the event the Association or Developer is successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, condition, reservation, lien, assessment or charge now or subsequently imposed by the provisions of these Covenants, they shall be entitled to recover from the party against whom the proceeding was brought, the attorney fees and related costs and expenses incurred in such proceeding.
